My Commanding Officer

I served in Viet Nam in 1968 under Cpt.Blalock I was the 1SG of the company in Long Binh, Viet Nam. Cpt.Blalock was killed during a 122mm Rocket attack on our Battalion Hqs by the VC. He was a good commander and cared for his personnel and their welfare. I lost good friends with no reason why it had to happen. Life goes on but time does not heal the hurt in your heart, all we have now are the memories of the friends we have lost. I will never forget you, I think of you very often and wonder why these things happen. It's been 40 years and the hurt is still there.

Captain - You have not been forgotten and the War we fought together has not been forgotten. You survived TET 1968 only to be killed one month later along with Capt. Boardman, Capt. Fischer & Capt. Rhodes. The Four of you will never be forgotten. It is going on Memorial Day 2008 and was remembering all those moments of fun & hard work and come this time every year I remember the night it happened and thought they didn't deserve this. You served your country with Honor & Pride and you will always be remembered.
