### Fort Knox

Frank and I were stationed together at Fort Knox. We lived in the same BOQ and spent lots of time together. We were very good friends. He had an old Chevy and drove me everywhere. He was a very generous and wonderful person. We would go to dinner at an Italian restaurant off post and went to the Officers Club almost every Saturday. We both got orders for Korea and had them changed to Nam. I can still recall my shock and sadness when seeing his name in the Stars and Stripes. Have prayed before his name on a number of occasions and will do so again this Monday, 11/11/02.

We were in different Artillery battalions but shared, the same Base Camp in Pleiku. I was on Fire Base 6 when I got the news about Franco. Here it is 34 years later and I still think about him.
