You were a good classmate

We shared a cubical for 23 weeks. We didn't know each other before, nor did we cross paths after. However, we were good friends then and I have thought of you often. You and I and Shaver prided ourselves that we were the only cubical that retained its original three occupants. I don't know what happened to Shaver but I am saddened to find out that I lost a friend so soon after we parted. God bless you George.

George Took My Position

My name is Shelby Paul Horn. When I received orders to go to fixed wing flight school instead of going to the Republic of Vietnam with Battery C, 2d Battalion, 4th Artillery, 9th Infantry Division, George was moved into my position as artillery forward observer. Only a few months later I learned that he had been killed. I think of him often. He was a friend.
