The above list is part of a work-in-progress - to compile the names and citations of all Artillery OCS Distinguished Flying Cross (for Heroism) recipients from all conflicts.

We welcome your additions and/or corrections to all posted information.

We encourage visitors to submit DFC (for Heroism) citations for any Artillery OCS graduate.

Rank is at the time the award was presented, if known. Otherwise retired rank is shown

Many DFC recipient lists do not indicate if the award is for heroism or achievement.

The absence of a name does not mean an individual was not the recipient of a DFC for Heroism.

Only awards known to us and verified to date are included.
