**The above list is part of a work-in-progress - to compile the names and citations of all Artillery OCS Distinguished Flying Cross (for Heroism) recipients from all conflicts.**

**We welcome your additions and/or corrections to all posted information.**

**We encourage visitors to submit DFC (for Heroism) citations for any Artillery OCS graduate.**

**Rank is at the time the award was presented, if known. Otherwise retired rank is shown**

**Many DFC recipient lists do not indicate if the award is for heroism or achievement.**

***The absence of a name does not mean an individual was not the recipient of a DFC for Heroism.***

***Only awards known to us and verified to date are included.***
