The above list is part of a work-in-progress - to compile the names and citations of all Artillery OCS Silver Star recipients from WWII, Korea and Vietnam.

We welcome your additions and/or corrections to all posted information.

We encourage visitors to submit Silver Star citations for any Artillery OCS graduate.

The rank shown is at the time the award was presented, if known.

If that information is not available, a retired rank is indicated.

*The absence of a name does not mean an individual was not the recipient of a Silver Star  
We only include the awards that have been verified to date - Last Update April 19, 2023*
