General Remarks: When Col Reynolds was a supply sergeant in a Field Artillery Unit, his commander encouraged him to apply for FA OCS because he demonstrated qualities desired of an officer. He has since applied exemplary leadership skills and has been an exceptional mentor to fellow officers, NCOs and enlisted soldiers. Col Reynolds is a dedicated Field Artilleryman. During the past 10 years he has displayed his Artillery credentials on his 1986 "Artillery Red" Chev Camaro sports car with his personalized license plates "REDLEG". Col Reynolds has and continues to use his leadership abilities within the community. For many years he has served as a volunteer to the Boy Scouts of America. He was recently recognized for his exceptional service to the Boy Scout program by his receipt of the Military Outstanding Volunteer Service Medal. Col Reynolds is an exceptional soldier, officer, field artilleryman, and an outstanding gentleman.
