"He was a good guy"

Don was the Brigade First Candidate in my OCS class at Fort Sill, OK in 1967. He was a born leader and destined for greatness in the U.S. Army had he survived Viet Nam. He was always willing to help us get through OCS anyway he could and had the most positive attitude of anyone I had ever met. I'll never forget his smile, simply infectious. As we say in the south, "He was a good guy". Lee Harper, (404)253-8957
