From thewall-usa.com

Colonel Vogel, CO of the 101st Airborne Division Artillery was the replacement CO to replace Colonel Richard Pohl that was KIA in a similar manner as Colonel V Vogel. Colonel Vogel, at the time of being KIA was a LTC, not having learned of his promotion approval. Colonel Vogel was a stand up guy who took on an enormous job and handled it well. He interacted well with his men and respected them as well as they respected him. Colonel Edward Vogel exemplified "duty, honor, country" and I was privileged to have served with him.
